Happy birthday Janu!

You are a special part of my life. Watching you grow from a teenager to such a lovely woman has been amazing. You have the ability to face challenges head-on and you keep working hard on yourself and your growth, which is not so common.

Taking charge of your life, figuring what works & what does not, always happy to help and stepping forward to do what needs to be done! In your words, 'adulting max'!

May Bhagavan shower you with good health, a whole lot of wealth and happiness always.

Much love,

Shri Chitti.
